

# Square Perimeter High Tensile Wind Rated Umbrellas

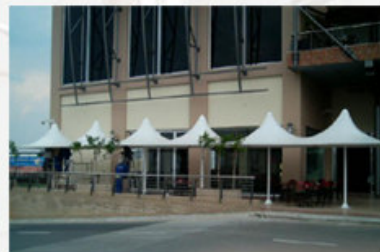

## Available Sizes

Single units	4300 x 4300mm
3000 x 3 000mm	4500 x 4000mm
3500 x 3500mm	Multipeak (single membrane)
4000 x 3500mm	3000 x 6000mm
4500 x 3500mm	4000 x 8000mm
4000 x 4000mm	5000 x 10000mm

## Features:

- Square perimeter HTWRU
- Galvanised, coated frame
- Stainless steel nuts and bolts
- UV stabilised architectural PVC
- Wind rated to 144 km/h
- Waterproof membrane
- Available in various colours
- Modern
- Attractive
- Waterproof between structures
- Lights an optional extra
- Heaters and optional extra
